Dear Sirs,

Sub: EIR From US FDA on continued GMP status for flagship KRSG facility in Bangalore

We wish to inform you that the Company's formulations facility (KRSG Gardens) in Bangalore, which was inspected by the US FDA in May 2017, has received the Establishment Inspection Report (EIR), thereby confirming the closure of the inspection.

The KRS Gardens facility in Bangalore manufactures tablets, capsules, liquids, sachets, creams and ointments. The facility supports important current and future products for the US markets.

Thanks & Regards,
For **STRIDES SHASUN LIMITED**
